

Curriculum

A stimulating and challenging curriculum

The staff at New Pasture Lane Primary School are committed to provide a stimulating and challenging curriculum, that is also specifically designed to allow experienced based, creative learning. We are very conscious of the need to equip pupils with high aspirations to prepare them for the next stage of their education and emphasise the development of skills as well as knowledge. Throughout the curriculum all staff are committed to value and support each individual, providing a high quality of pastoral care, and nurturing self-esteem and mutual respect, working closely in partnership with parents.
