What a lovely week, the children have settled back into the school routine really well.

This week Year 4 have launched a new club called ECHO ( Environmental Club Helping Others) they have worked with Phil Williams from Plan-IT ECO to come up with lots of different ways as a school that we can reuse, recycle and reduce our waste.

Also this week Foundation 1 have been visited by some keen volunteer gardeners who have dug up a patch of grass for them in readiness for lots of planting of vegetables over the next couple of weeks.

Next week Year 2 start their animation project, Year 4 learn about pedestrian skills and we welcome back our Reader in Residence, Wes Magee.

Have a good weekend.

#### SCHOOL OPEN AT 8.35am FROM MONDAY

Doors will now open at 8.35am so that children can be sat ready to work when the bell goes at 8.40am.

Children have maths/word activities to do during registration to sharpen their skills.

Congratulations to Reggie (Y5) who has a beautiful baby sister Eve.

#### HEAD LICE ALERT

I am really grateful to those parents/carers who check their children's hair regularly. But I also know we have some parents who don't and that is why we have a problem. If you have any ideas how we can reduce this problem PLEASE come and speak to me.

#### Please check your child's hair tonight.

If your child has headlice, please take them to the chemist and the pharmacist will look at your child's hair and will be able to give advice and free treatment.

Free advice and treatment are available from the Lloyds Pharmacy on Westgate and other chemists in the town.

Treatment can be given on an evening and therefore it is not necessary for a child to be absent from school.

#### Childcare Survey for Parents

Please help Families Information Service Hub understand more about your childcare needs -  
Go to : [www.fish.eastriding.gov.uk](http://www.fish.eastriding.gov.uk)

Do you have a child aged between 0—14 years  
(including 15—18 year olds with a disability)

The survey will take around 10 minutes to complete and you will be entered into a monthly draw for a chance to win a £10 Love2Shop voucher.

If you need to contact FISH their number is 01482
