It certainly has been a busy week, our visit from OFSTED on Tuesday was quite a start to the New Year. Thank you to all the parents who tried to leave views on the Parent View site, I realise that for many it just gave an 'error' message.

OFSTED will send a report in the form of a letter next week at which point we will be able to share more details with you. I was very proud of all the children who worked especially hard and behaved brilliantly.

Also today Year 2 have started to create their animation films with Dawn and Lee from Animated Objects, also a group of Year 6 children have started to plan their film for the University of Manchester animation competition.

Have a good weekend.
