What a great week we have had learning about the Rainforests, Phil Williams inspired both children and staff with his great knowledge and passion for respect and responsibility. I hope that you have been bombarded with lots of facts and information too.

Also this week twelve Year 5 children have completed their cycle training, it was two full days of quite intense learning about how to keep themselves safe on the roads, well done to you all.

Next week our Year 6 children will be visiting London and staying overnight on HMS Belfast. This is part of our work with Hull Children's University. We will be posting photos of their experiences on our twitter account through our APP if you would like to follow their adventures!

Also next week Year 3 will be visiting Tesco's to tour the store and learn about how they make bread.

Have a good weekend.

Mrs Tadman
