

New Pasture Lane – PE and Sports Premium Funding 2017/2018

The P.E and Sport Premium is designed to help primary schools and can only be spent on provision of P.E. and sports in schools.

It is to be used to improve the quality of the P.E. and sport activities within schools.

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, **of which 30 minutes should be in school**
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

At New Pasture Lane School, we are committed to providing access to a wide and varied range of PE and Sporting opportunities during PE lessons, at our school sports clubs and at inter school competitions and festivals.

Academic Year: 2017/18	Total fund allocated: £17790	Date Updated: November 2018	
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school
